WEDDING VENUE HIRE FEES

Ceremony with one hours drinks reception	£900
Ceremony with two hours reception	£1,200
Ceremony and reception from	£2,500
Reception only from	£2,500

These prices are for weddings and receptions on Fridays, Saturdays and Sundays. We currently offer a 20% reduction on these prices for weddings held on Mondays to Fridays and receptions held on Mondays to Thursdays (eg on a weekday ceremony the price would be £720 rather than £900).

Receptions can run until midnight but this can be extended by an additional hour

until 1.00am for a further £500.

All the above prices are inclusive of VAT and we do not charge corkage (although your caterer may do so).

These are the current options that we offer but if however you want something different to the above then we would be happy to see if we can meet your special requirements.
